City of Montgomery Event Questions

What events qualify for a special event?

Special event means a sports event, pageant, celebration, historical reenactment, entertainment, exhibition, parade, fair, festival, or similar activity that is not a demonstration, engaged in by one or more persons, and could potentially impede traffic, impact city infrastructure or operations, and/or disrupt the general public's quiet enjoyment of their day.

Street means the entire width between the boundary lines of every way publicly maintained, where any part thereof is open to the use of the public for purposes of vehicular travel, including the ditches, drains, median, sidewalk and esplanade thereof, of any public alley, road, street, avenue, parkway or highway which is located within the city.

Street festival means any event, activity or entertainment sponsored by any organization, entity, or individual which may attract 25 or more persons and conducted in whole or in part within any street and for which admission may be charged or at which peddling, hawking, soliciting, transient dealing, or operation of a mobile food unit may occur. The term "street festival" shall not include a rally conducted in support of or opposition to a candidate for political office or a ballot proposition in any election called by a federal, state or local unit of government.

Do vendors need the City of Montgomery?

They will not need to apply for a permit while operating during the event hours as long as the event organizer submits an event vendor list with the permit application. If the vendor plans to operate regularly in Montgomery on other days and hours not regulated by an event organizer, they'll need a separate vendor permit.
